**Notes:**

We have chosen these dates to avoid Father's Day (Sept 2<sup>nd</sup>) and the School Holidays (Sept 29<sup>th</sup> ->)

Subject to the winter/spring rains in 2018, this timing should suit a Wildflower Tour.

This is a reasonable time to drive a car across the Nullarbor.

We will start looking at a number of options to transport cars across to Perth.

Best Regards,

**Jim and Angela,**
